Dear Sir:

In response to the Examiner's Notice of Allowance and Issue Fee Due and Drawing Requirement dated October 18, 2005, this Amendment After Allowance and Submission of Replacement Drawings is submitted. The issue fee is being paid simultaneously with this amendment.

Please amend the application as follows:

In the drawings, applicant herewith submits replacement sheet 1/19 showing Figures 1A, 1B, 1C, 1D and 1E. Figures 1C, 1D and 1E have been corrected in accordance with the Examiner's instructions and drawing requirements dated October 18,

2005. Replacement sheet 6/19 shows Figures 7A and 7B. Figure 7A has been corrected in accordance with the Examiner's requirements.

In the specification, page 13, line 6, add the following new paragraph:

Figure 1C shows the placement of rebar 11 that is surrounded by cementitious material 13 in recess 14 of the wall structure 10 which is used to connect the wall 10 to the roof which is described herein. Figure 1D shows a wall structure with only cementitious material in space 14 while Figure 1E shows a rebar that can be placed in space 14.

Page 19, after line 9, add the following new paragraph:

Figure 7B shows a rebar 11 placed in channel 63 and rebar 11 with cementitious material 13 also disposed in the adjacent channel 63 all of which is used to tie the roof to the wall sections for tying the building together.
